Not yet. She has 30 days to sign it, so until the end of July. Meanwhile Oregon IFA reports that they are mobilizing & coordinating internally (between Salem and their regional office staff) on Warm Springs assistance efforts. As I noted in the separate spreadsheet that I handed off to Alyssa Macy, Oregon IFA is prepared to assist Warm Springs with small dollar state and EPA (DWSRF set-aside) **grant** funds to assist with project planning, leak detection, and other non-construction activities.

Thanks.

Thanks Rick. Has the Governor signed this bill yet? If not, what is the timing?

Hi Rick,

HB 5030 passed with bipartisan support and is awaiting the governor's signature.

Section 30 of the bill identifies that \$7.8 million of lottery bonds be transferred to the Oregon Business Development Department (Business Oregon) for distribution to the Confederated Tribes of the Warm Springs Reservation of Oregon for improvements to the Warm Springs Wastewater Treatment Plant, installation of water meters and improvements to the water distribution system.

Best, Jon
